

TECHNICAL INFORMATION (printing and web)

Logo files for print have to be sent in EPS format.

Logo files for web have to be sent in GIF or JPG format.

REGISTRATION FOR EXHIBITORS / SPONSORS

Booking is possible as long as free capacity is available.

Nevertheless please note, the exhibition and sponsoring packages will be remitted on a first come first serve basis.

CANCELLATION POLICY FOR EXHIBITORS

Sponsorships and exhibitions: The DECHEMA general terms and conditions for conferences apply. More details please find on www.dechema.de.

Cancellations up to 3 months before the conference are subject to a 20% of package price as administrative fee. If cancellation is made at a later date, the sponsor/exhibitor is charged a fee of 100%. Cancellations are only accepted in writing (i.e. by fax, surface mail or email). The relevant cancellation date is the date of receipt. If a sponsor/exhibitor does not come to the conference or leaves before its end, the full fee remains payable, unless the sponsor/exhibitor provides written proof in a specific instance that the loss or expenses are lower.

SPONSORSHIP & EXHIBITION

24 – 27 September 2017
TU Bergakademie Freiberg/Germany

22nd International Biohydrometallurgy Symposium

www.dechema.de/IBS2017

PARTNER

INVITATION

INVITATION

The biannual International Biohydrometallurgy Symposium is the global forum for experts from academia and industry active in the fields of biomining, bioleaching and bioremediation. These technologies have a high potential to establish environmentally favourable processes for the recovery of primary and secondary precious and base metal resources as well as the remediation of exploited mining sites.

Covering all aspects, IBS is the place to meet with biologists, engineers and chemists as well as mining experts to discuss the latest scientific and technological trends. Academics, students, researchers, practitioners as well as representatives of industry and institutions are invited to discuss their research, develop new concepts, exchange information about innovations and best practice cases.

The IBS 2017 will be held in the Freiberg in Saxony. The city has been a centre of the mining industry for centuries and is home of the Bergakademie, the University of Mining and Technology established in 1765. The historical flair of the city where the mining history is ever-present together with the state-of-the-art science facilities and industry makes Freiberg a special destination with many interesting sights that will stimulate exchange and discussion.

On behalf of Prof. Wolfgang Sand, Chairman of IBS 2017, we would like to invite you as an exhibitor or sponsor. Promote your products, technologies, experimental equipment and services and meet experts from all over the world.

We look forward to welcoming you in Freiberg!
